

A Girl With A Cape on the Go

(AGWAC on the Go)

WHAT TO DO:

1. Print her up on card stock or heavy paper.
2. Color her & cut her out. (laminare if you can).
3. When you see a student doing something that is kind, sneak AGWAC onto their desk.
4. Then, when THAT student sees another student doing something kind, they have to sneak it onto THEIR desk... until she makes it around the whole classroom.
