

INTENTIONAL KINDNESS PROJECT

2018

This year...

Let's CHOOSE to be intentional. On PURPOSE, let's be kind
To others and to our own selves, let's leave ill will behind.

Because...

There's no time to be unkind. Life goes so crazy fast.
The words we use, the words we choose, good or bad, they last.

So...

Let's start using all the good. This year we're keeping track
So you can see your value; all the good that you gave back

For...

It's not about what others do or what they have to say.
It's about how we respond and talk and act each day.
And since the new year's almost here, time to get on our way.
